Find Part Of Wreckage Of Lost Airliner; Hope Spurts

LONDON (AP)—A Royal Air Force spokesman said today a British ship has picked up the wheels and part of the undercarriage from the U. S. Military Air Transport plane missing since Wednesday in the Atlantic with 59 U. S. servicemen. "It gives us new hope that there might be a dinghy or dinghies in the area with survivors," the RAF officer said in Cornwall. "A new search is now being gradually built up around the area in which the wreckage was found." A U. S. Air Force spokesman in London said he could not confirm the wreckage was from the missing plane, a C118 Liftmaster.

COURT ORDERS DESTRUCTION OF SLOT MACHINES

Sheriff Dorsey J. Schultz was directed by the Adams County court this morning to destroy six slot machines, "divers punch boards, fish bowl and other gambling paraphernalia." The order also directed that Sgt. A. J. Swalinski, head of the local state police sub-station, be a witness to the destruction of the equipment.

The articles were described as those taken in raids last year and noted that the reputed owners had entered pleas of guilty and had not replied to a rule asking them to show cause why the articles should not be destroyed.

Included are 1,296 punch boards of various types, more than 339,000 tickets, four novelty boards, a "Lucky Seven Fish Bowl" and numerous other articles. According to the order the property had been in the possession of Wilmer Drach, Gettysburg; Jesse Kline, Gettysburg; and Clarence Ignatius Deardorff, Orrtanna R. D.

Support Cases Up
A petition of Norman Cullison, Gettysburg R. D., for reduction of an \$18 a week support order was denied. Cullison had originally been directed to pay the amount for his wife and child. The child was fatally injured in an auto accident some time ago. The court held however that Cullison's income had increased to the point where the \$18 was less than one-third the amount of income and that a wife has a right to up to one-third of her husband's pay.

The rule in the support case against George Bushman, Baltimore, was made absolute. The rule terminates the support order in accordance with a private agreement.

An agreement by which six of the eight children of Clara E. Sager, Abbottstown R. 1, will each pay \$2.50 per week for the support of their mother was approved by the court.

LEADER DENIES SLUR AGAINST RICHARD NIXON

NEWARK, N. J. (AP)—Gov. George Leader of Pennsylvania says he never suggested Alcatraz as a retirement spot for Vice President Richard Nixon.

Speaking to delegates to a New Jersey CIO Political Action Committee conference last night, the Democratic governor said the Republicans themselves had linked Nixon with the federal prison in San Francisco Bay. And he said \$1,000 will go to charity if anyone can show otherwise.

Five top Republicans on Saturday denounced Leader for what they said was his Alcatraz suggestion at a party rally in Oakland Calif., Thursday night.

He was quoted at that time as saying, with obvious reference to President Eisenhower's farm at Gettysburg, Pa.:

"We in Pennsylvania will have to provide a place of retirement for the general."

"Off-Shore Island"

And then he was quoted as adding: "I hope you can find an off-shore island for..." but a roar from the crowd drowned Leader out before he could finish his statement.

Two of the Republicans joining in the denunciation—GOP National Chairman Leonard W. Hall and Pennsylvania State GOP Chairman George I. Bloom—suggested Stevenson speak out against what they termed "this scurrilous statement."

But Leader said that what he had in mind when he mentioned an "off-shore island" were either Seal Rock off San Francisco, which he termed an appropriate place to retire "the trained seal of the reactionary Republican administration," or Treasure Island between Oakland and San Francisco in view of Nixon's "success in raising campaign funds."

The governor said he sent Hall a telegram asking: "What is there about Nixon that makes even his supporters think of Alcatraz as a retirement home for him?"

The other Republicans who criticized Leader on the Alcatraz point were Pennsylvania's two Republican senators Edward Martin and James H. Duff, and Postmaster General Arthur Summerfield.

MOTHER, SON ARE REUNITED AFTER 13 YEARS

MIAMI, Fla. (AP)—Thirteen years of separation ended in an incoherent embrace at dawn today for a starry-eyed mother and her strapping young son.

They clutched each other as though to make up all at once the love they had missed during the years they had lost track of each other.

The mother had sorrowfully placed him up for adoption when he was 5, when her marriage broke up and she was unable to keep him.

"Thank God," breathed Mrs. Ruth Rueda when Teddy, 18, jumped down from a highway bus and dashed into her waiting arms. They held on heedlessly while photographers snapped pictures after picture and other passengers stared.

Tremble With Excitement

The 37-year-old mother looked five years younger when she at last turned to talk to newsmen. But she still held the husky, 6-foot youngster around the waist. "I'm full here," she said, pointing to her heart. Teddy felt "pretty darn good."

Both were trembling with excitement. Later he gave her a cedar box for jewelry and she placed on his finger a ring containing her picture.

"I had this made a long time ago and I have been saving it until I saw him," she said. The ring would fit only on his little finger. They plan to spend the next few days "getting acquainted."

"She's The Boss"

Teddy, who was 18 only 10 days ago, said he looked two years for came a few weeks ago when he got a list of her relatives from his foster parents, Mr. and Mrs. Don Kindt of Mt. Oliver, N.J.

But the search wasn't successful until he asked a Plainfield, N.J., newspaper for help in the quest for his Brooklyn-born former Alcatraz inmate.

The Plainfield Courier-News learned Mrs. Rueda's present name as a lead in exhaustive digging, and the Associated Press located her through the Florida auto drivers license bureau.

Born In Altoona

She said the lad was born Theodore Barkely in Altoona in 1938. She said circumstances involving a broken marriage made it impossible for her to care properly for Theodore and an elder brother, John, and she gave both up to adoption in hopes they would fare better.

Theodore set out Saturday for Miami, with fare and pocket funds supplied by well-wishers on the Plainfield Courier-News staff.

LOSES HIS TUXEDO AND HIS NAME

PITTSBURGH (AP)—Sen. John F. Kennedy had a little difficulty here last night before delivering the address at a nonpartisan dinner sponsored by the Knights of Columbus.

The dinner had to be held up until Kennedy could locate his suitcase—and the tuxedo it contained. It had been misplaced at the airport.

One of the K. of C. officials then referred to him as "Sen. Wagner" of New York.

Then it came the turn of Mayor David Lawrence of Pittsburgh to formally introduce Kennedy. With a big smile, he introduced him as "Sen. John Fitzgerald."

By this time the crowd was roaring with laughter. Hurriedly, Lawrence said he had been thinking of Kennedy's grandfather, former Boston Mayor John Fitzgerald.

HERRIOT QUILTS FRENCH OFFICE OVER DISPUTE

LYON, France (AP)—Conservative members of France's powerful Radical Socialist party have quit the faction in protest against ex-Premier Pierre Mendes-France's leadership.

As a result, elder statesman Edouard Herriot resigned the party presidency he had held since World War II. Herriot told the party's annual convention he supported Mendes-France but could not continue as head of a divided party.

At Mendes-France's suggestion, the convention left the presidency open in the hope Herriot would reconsider.

Despite the split, both Mendes-France's forces and the dissidents were expected to continue to support Socialist Premier Guy Mollet's government. The Radicals are the Socialists' partners in the coalition Cabinet.

The right-wing walkout was led by Andre Morice, former minister of industry and commerce. This minority complained that Mendes-France was dictatorial in his drive to enforce a uniform, left-of-center policy.

FIND FORTUNE SCATTERED THRU 9-ROOM HOUSE

WEST BABYLON, N.Y. (AP)—Police plan to count today the hundreds of crumpled bills and tarnished coins they found scattered through the ramshackle house of a retired cab driver and his reclusive sister.

Patrolmen stumbled on the dusty treasure hoard Saturday after John Van Huda, 58, telephoned and said two men had robbed him of \$12,000 at his home.

When police arrived they were astonished to find money littered through the nine-room Long Island house like so much trash. Each room was also stuffed with old newspapers, rags, boxes and bottles.

Rats had nibbled on some of the bills lying on the floor. Other bills were worn thin from passing feet.

Two thugs posing as deliverymen talked Van Huda into letting them in. They hit him over the head and dug out an estimated \$12,000 from under a mattress. The robbers stuffed the cash in a feed bag and fled.

Total Is Mystery

How much did the thugs miss how much did the thugs miss in the money-cluttered house?

First estimates placed the total at \$50,000. But later Babylon Police Chief Percy K. Hempstead said he couldn't say how much there was.

Asked why the money was kept in the house, Van Huda's sister Jeanette, 64, said:

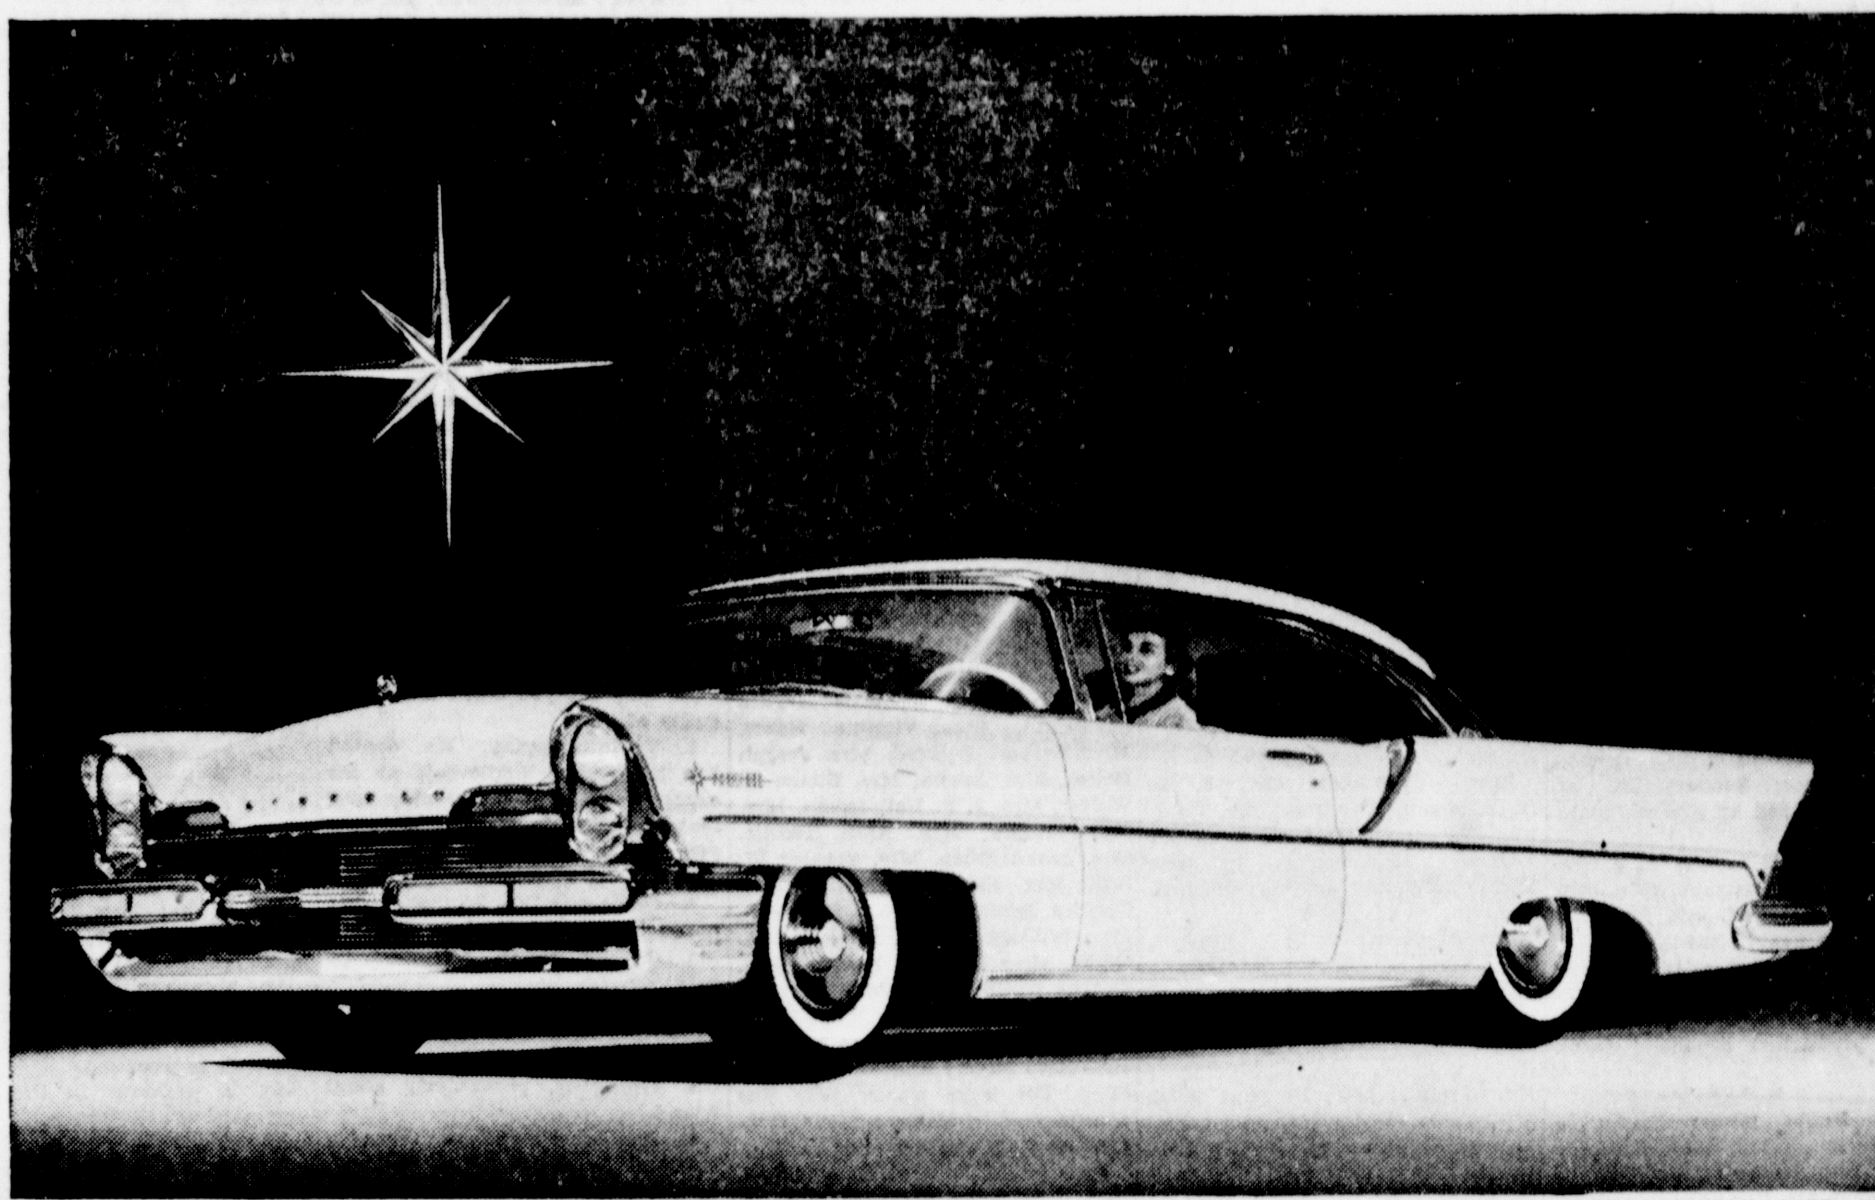

"That's because of that Hitler . . . Johnnie got very excited because he thought Hitler was going to take over the whole world. He thought if he kept the money in the house, Hitler wouldn't look for it there."

Van Huda said: "You know how it is, you need money around the house for emergencies."

Neighbors were startled to learn that the shabby Van Huda house was crammed with riches. Some said they had lived in the area for 30 years and had never seen Miss Van Huda.

"That's not true," she said. "I was out 10 years ago. It's my feet. They keep me in most of the time. They always hurt me."

Bullets Crush Western Md. 45-0 With Best Offensive Show; Terrors Impotent

Continuing to show improvement in all phases of their game, Gettysburg College's football team overwhelmed Western Maryland, 45-0, here Saturday before 3,500 including Postmaster General of the United States Arthur E. Summerfield.

Coach John Yovicsin used his first eleven less than half the game but it didn't seem to matter what combination he employed as the Bullet backs ripped the opposing eleven for 440 yards, an average of 7.1 yards per carry, for their second victory in four games. It was Western Maryland's third loss in four outings.

The Bullets threw up another staunch defense against their foe's running game as they limited the Terrors to seven yards gained rushing for the entire game. The visitors netted another 20 passing for a total offense of 27.

Hailey Again Sparkles
Don Hailey sparked once more as he intercepted a pass, deflected by Earl Yost, on the Gettysburg 38 and raced 62 yards for a touchdown in 1:52 of the first quarter. Hailey scored again on a beautiful 32-yard jaunt from scrimmage in 1:20 of the second quarter.

Here is how the other scoring went:
Frank Capitani booted through center from eight yards out in 10:51 of the first period for the second touchdown. Harry Binger converted to give Gettysburg a 13-0 edge.

After Hailey's second run, George Greiner plunged through center from two to the fourth touchdown. Dave Lichtenfeld's placement with Hickoff holding was good.

Heverly Crashes Over
"Chike" Heverly sneaked over from the two in 8:52 of the third period to climax a 40-yard drive. Yost's ten-yard scamper around right end and Capitani's 12-yard bolt through center were the big yardage-eaters in the drive. Lichtenfeld again notched the extra point to make the score 33-0.

Jim Flood added the sixth touchdown with a two-yard plunge over right tackle which came on the end of a three-play 32-yard advance with Flood carrying all three plays. The extra point attempt by Lichtenfeld was blocked by Spear, and the score was 39-0.

The final six-point came in 11:07 of the final period as Al Pingitore plunged over from the three to end a 50-yard advance. Lichtenfeld's placement was not good.

Attack Sharpens
Although Western Maryland failed to furnish more than token resistance to the Bullet attack, the Green Terrors were probably what Gettysburg needed to sharpen up its running attack. The timing, which had been sadly lacking at the beginning of the season, was greatly improved over the Albright game a week ago.

The Gettysburg ground game showed sharp improvement and the passing attack looked better than at any time this year with the passers hitting their receivers at least three times with the receivers failing to hold on to the piskin.

Gettysburg will play host to Muhlenberg next Saturday in the feature attraction of Homecoming Weekend. The Mules, victorious over Lebanon Valley, 14-7, Saturday night also hold an 18-0 win over Albright.

L-TOWN TAKES PLAYOFF TITLE OF SOUTH PENN

Littlestown wrapped up the playoff title of the South Penn Baseball League by lacing Bendersville, regular season champs, 11-2, Sunday afternoon before a small crowd on the winner's field.

It was the second straight win in the best-of-three series for Littlestown, fourth place outfit in the regular season standing. A week ago the teams battled to a 3-3 14-inning deadlock.

Gerrick, Littlestown hurler, limited the upper countians to but four hits. Meanwhile his teammates collected nine off the combined offerings of Dick Pitzer and F. Koontz.

Errors Costly
Six miscues charged against Bendersville played a big role in the Littlestown triumph.

Littlestown broke a 1-1 tie in the last of the fourth inning with a run and led the remainder of the way, being the verdict with five runs in the eighth.

Hull, Smith and Feaser each collected a single and double for Littlestown while C. Rice smacked a pair of singles for Bendersville.

MOUNT STARTS CAGE PRACTICE THIS EVENING

Coach Jim Phelan's Mt. St. Mary's Mason - Dixon basketball champs, aiming for an unprecedented fourth straight cage title, open basketball drills this evening.

Phelan faces a major rebuilding job if the Mountaineers are to be a factor in the Mason-Dixon race. Lost to the squad by graduation were three top-flight backcourt aces Eddie Bals, Bill Stanley and Frank Smith, all of whom scored in double figures in last year's 20-9 campaign. The Mounties also lost big Tito Nanni, a rugged board man who did not return to school, and George Donohue, a capable reserve.

Returning are Jack Sullivan, one of the nation's top scorers, Bill Williams, 6'6 forward of whom Phelan expects great things, and Josh Bert Sheing, who must take up the slack caused by the clean sweep of back court men. Jerry Bohlinger, 6'6 center, is expected to carry the brunt of the board work and improve his hot-and-cold play of last season if the Mountaineers are to grab another title.

Last season as a freshman, Bohlinger carried a 6.4 scoring average hardly enough to worry tough Mountaineer foes.

Good Reserves
Experienced reserves include juniors Joe Sullivan and Tom Fullen, and sophomore Tom Leonard. Leonard at 6'3 and Sullivan at 6'3 give the Mountaineers good height but neither have ever put together the kind of game that will bolster the Mountie attack.

Mullen, a quick, tough back court operator, must come up with better shooting to nail down a regular job. Some highly touted fresh prospects are expected to make things interesting for varsity lettermen. Jack Halleron, a 6'4 performer from Chamblaine High, comes well recommended as a rebounder. Jack Gunn, 6' back court man, was a teammate of Halleron's at Chamblaine and captained the cagers his senior year. Gunn could be the answer to part of Phelan's back court problems. Ed Galen, 6'3, from Onsey High in Philadelphia, Jack Marshall, an all-Catholic back court gunner from Northeast Catholic in Philadelphia, and Bill Morse, 6'4, of Dean Prep, could all help if they live up to their high school press clippings.

Phelan will have the usual problem of separating the men from the boys among a long list of high school captains and is hopeful that he may turn up a sleeper here and there.

Back Court Problem
Most pressing needs are in the back court which has been a Mountaineer bright spot over the past three years. Nanni also was a severe loss since Phelan must come up with better shooting from the big men as well as the tremendous rebounding that marked the play of the big Philadelphia.

The Mountaineers play a tough 26 game schedule with 13 conference games. The roughest part of the card comes early because the Mounties meet Stuebenville, St. Vincent's St. Francis, Quantico journey foes and Loyola away from home. Conference play opens with Loyola on January 5, two days after the Christmas holidays.

To handle his schedule with anything like the success he has had in the past two years, Phelan's fresh are going to have to jell quickly. Any loss of form on the part of the varsity starters or injuries to key personnel such as has hobbled the club in the past two years will be disastrous this year since Phelan lacks the depth he has had in the past.

DREXEL TECH HALTS BULLETS

Four goals in the second quarter sparked Drexel Tech, defending Middle Atlantic Conference champions, to a 6-2 victory over the Gettysburg College soccer team Saturday afternoon at Philadelphia.

The Bullets took a 1-0 lead in the first quarter on a kick by Barry Evans but a pair of goals by Tom Washofsky, an All-American, and Dan Sirvi in the second quarter put the Dragons ahead for keeps.

John Farquhar scored the Bullets' other goal in the second game. The Bullets, now 0-2-2, meet Wilkes at Wilkes-Barre Saturday.

Providence Reds Show Way On Ice

By THE ASSOCIATED PRESS
The Providence Reds are losing no time showing the polish which carried them to the American Hockey League title and through the Calder Cup playoffs last season.

In the only one of the three games that went to a decision last night, the Reds defeated the Springfield Indians 7-2. Buffalo and Hershey played to a 2-2 overtime time and Rochester and Cleveland played an exact duplicate as 6,306 fans turned out for the Americans' home debut in the circuit.

With Bruce Cline and Jim Bartlett scoring twice each, the Reds struck for four goals in the second period and never had any trouble thereafter.

NASHUA WINS JOCKEY CLUB CUP, RETIRES

By ORLO ROBERTSON
NEW YORK (AP) — Sunny Jim Fitzsimmons says farewell to his beloved Nashua today, the sadness of parting tempered with the knowledge that he has in the 2-year-old Bold Ruler a horse that may well emulate the performances of the millionaire thoroughbred.

Nashua entrains for Lexington, Ky., and stud duty today after winning the Jockey Club Gold Cup at Belmont Park — the race that the 82-year-old trainer wanted "most of all to win."

The 4-year-old son of Nasrullah, for whom a syndicate headed by Leslie Combs II paid \$1,251,200, closed out his racing career with a record of 22 victories in 30 starts and world record earnings of \$1,288,565. Six of his triumphs and earnings of \$343,150 came in 10 outings for the syndicate.

Shattered Record
"Yes, I really wanted to win that one," said Mr. Fitz in talking of Nashua's record-shattering performance of 3:20.4 in the two miles of the Gold Cup. "I told Eddie Arcaro to take him out on the front end and let the others catch him. I figured the distance was just as tough for the others as my horse."

And then the conversation shifted to Bold Ruler, also a son of Nasrullah, who climaxed quite a day for Mr. Fitz and Arcaro by winning the Belmont Futurity for his seventh triumph in eight starts. "Is Bold Ruler as good at this stage of his career as Nashua was as a 2-year-old?" the genial trainer was asked.

"It's mighty hard to compare horses," said Sunny Jim, "but Bold Ruler has met the best and beat them. He's lost only one race and Nashua lost more than that." For the records, Nashua had a 2-year-old record of six victories and two seconds in eight trips to the post.

PLAYOFF FOR WESTERN OPEN

SAN FRANCISCO (AP) — Four tournament professionals battled it out today in a four-way playoff for the \$5,000 top money in the Western Open after usually steady Doug Ford blew his chance to take it all.

Ford, one of the finest shot game players in the business, came apart on the last three holes of yesterday's climactic round to finish in a 284 dead heat with Don January, flashy Lampasas, Texas, youngster; Jay Hebert, Sanford, Fla., and Mike Fitchick, Mahopac, N. Y.

Coming off the Presidio's breezy 15th hole, Ford was sailing along four under par. Then, as shocked spectators watched in amazement, his play around the greens went completely haywire and he shot three bogies.

He was leading the Western Open midway. He came in yesterday even with par, one stroke higher than Ford's 71.

Hebert, who at 33 has never won a major tournament, came right out of the dark, for he had 216 for his first three rounds and had not been putting too well. But his 69 in yesterday's final round shot him up to the top.

Three sub-par rounds, including a final 70 yesterday, earned the steady Fitchick his spot in the playoff.

Eastern Pro Court League Will Play

CASHTOWN TOPS FAIRFIELD 3-1 TO WIN TITLE

Packing all of their scoring into the first inning, Cashtown defeated Fairfield 3-1 Sunday afternoon to capture the playoff title of the Pennsylvania Baseball League. The Cashtown-Mar game of the three-game series was played before a huge crowd.

Bobby Rohrbaugh opened the list of the first inning by grounding out. Cloyd Spence tripled to left center, Marlin Pisci singled, Ira Herring doubled and Donaldson singled for two more runs. Weikert replaced Seiford on the mound for Fairfield and fanned Glenn Herring for the final out.

Fairfield Scores
Fairfield's lone tally came in the top of the second. Ken Deardorff off with a double and Johnson walked. Wertz singled to score Deardorff and the throw out off by Ronnie Kump who was out Johnson who was at bat to reach third base.

Kump hurled a steady game for the winners although yielding 10 hits. He fanned 10 and walked but one.

Seiford held Cashtown scoreless in his five relief roll and gave up only six hits. He had a tight squeeze in the fifth when Cashtown loaded the bases but he got Ira Herring to fly out to retire the side.

Fairfield made a bid for a fourth after two were out. Seiford singled and Eddie Spence walked but Dale Sides forced Seiford at second to end the game.

HART AND DENNIS FIGHT TONIGHT

By THE ASSOCIATED PRESS
Garnett Sugar Hart of Philadelphia and Earl Dennis of New York, a couple of young, eager welterweights who have valiantly that the stars won't fight them, collide tonight in a TV 10-rounder at New York's St. Nicholas Arena.

Hart, a solid swinging 16-year-old with a record of 14 wins and two decisions in 17 fights, is an 8-5 favorite over the 24-year-old Dennis, who has a mediocre 30-13-5 record, including 11 kayos, but he has won six of his last 23 scraps.

Cuba's Ike Loger, 24, Caspar (India) Ortega, tall Mexican welterweight, in the Wednesday night radio-TV feature at Boston's Mechanics Building. The 23-year-old Logar, winner of nine straight, is favored. His record is 45-5-5. Ortega's record is 34-7.

Joey Giambra guns for his fifth straight victory Friday night on TV at New York's Madison Square Garden. The 25-year-old Buffalo, N. Y., middleweight, leftsinking contender, takes on fast-punching, aggressive Gil Turner of Philadelphia. Giambra's record is 45-4-1. Turner is 56-13-1.

The league will have six clubs this season, including a new entry from Easton, the tri-cities Madison. Others are Hazleton, Scranton, Wilkes-Barre, Williamsport and Sunbury.

Delone Outclasses York Catholic Gridders 39-12; Castley Scores Two TDS

The Delone Squires bounced back into their winning ways as they trounced the York Catholic Fighting Irish 39-12 in a Central Penn Catholic Football League contest on the losers' field Sunday afternoon before 1,100 shirt-sleeved fans, most of whom were from McSherrystown.

Coach Al Bell's lads were just as hot as the weather when they started rolling in the first quarter. After York received the kickoff, they were unable to advance the ball which put them in a punting situation. Phil Staub, Squire end, partially blocked the punt and Delone had the ball on the opponents' 34-yard line. Delone drove to the 10 yard line but then ran into trouble when the Irish line buckled down and held their McSherrystown foes. Again York had possession of the ball but to no avail. They were forced to punt and this time Delone was set back to their 42-yard line. On a sustained drive of 58 yards the Red and Blue team booted its way to pay dirt. The key blow of the drive was Johnny Castley's smash through the line for seven yards and the touchdown. Charlie Doll's conversion was good and Delone led 7-0 with 1:30 remaining in the first quarter.

46-Yard Pass Play
With two minutes remaining in the first half Delone was in possession of the ball on the York 46-yard line resulting from a Green and Gold punt and fine running on the part of two Gettysburg lads, "Bucky" Washington and John Castley. Larry Hockensmith then whipped a pass to Mike Conrad which covered 46 yards for the Delone second TD. Conrad was just returning to the lineup after receiving a head injury in the Lancaster game. This time Doll was forced to attempt the conversion from the 20 yard line via a holding penalty and consequently the ball fell short. At the end of the first half Delone was out in front 13-0.

One minute after the second half had opened Delone tallied its third touchdown. With the ball on the Delone 41, Castley was stopped at the line of scrimmage on the first play. Pat O'Brien took the piskin on the next play and raced 59 yards down the side lines for the score. This time Doll's placement split the uprights.

Delone Gets Final
York came right back in the closing minutes of the game to show the Squires they had one more TD tucked away, under their belts. Paul Bors and Ed Bievenour carried to the Delone 46. This time Notopoulos cut loose with a long pass to Bors covering the 46 yards and the final six pointer. The plunge by Bievenour was again stopped as the game ended.

Next Friday Delone will play host to a powerful Lebanon Catholic outfit in a non-conference contest.

NO USE TRYING TO GIVE ADVICE TO STUDENTS BOUND TO WED

By HERMAN R. ALLEN
CHICAGO (AP) — When it comes to trying to advise college students who want to get married, Miss Margaret Habeln is just about ready to stop talking.

Miss Habeln is dean of instruction and student services at the University of Rochester, N. Y. She is here for the annual meeting of the American Council on Education.

"There's no use trying to stop them from getting married," she said. "We know that. But we have tried to counsel with them and get them to make sure it's what they want to do, to consider the possible consequences to their education and so on."

Might As Well Stop
"But by now I've just about decided that I might as well stop talking. Once they've made up their mind, that's all there is to it."

Actually, Miss Habeln said, marriage need not interfere too much with a couple's college work. Sometimes the young wives find it better to take a lighter class load what with the added chore of running a home. Even so, Miss Habeln acknowledged, "they sometimes look awfully tired."

If the young couple decides to start a family while still in col-

lege — and Miss Habeln said they seem to be increasingly so inclined — the wife is the one most likely to suffer, educationally speaking.

There Are Exceptions
"Unless she is very highly motivated to finish her education," Miss Habeln said, "a girl is not likely to come back to college after she has had her baby and is through with the first few months of caring for it."

"We have one such highly motivated young wife on the Rochester campus, a 26-year-old who dropped out of school to become a mother and now is back in school four to five hours a day — and handling her divided program with a great deal of skill. Her husband, I must say, is very cooperative. He takes over care of the baby early in the evening so she can get her homework done."

Serious Business
Miss Habeln said another trend is earlier engagements, or at least "pinning," to the extent that girls are beginning to worry if they're not sporting a boy's fraternity badge by the end of their sophomore year.

"Actually," she said, "this kind of worry is so real that in planning our new women's dormitories we had to provide for upstairs recreation rooms where girls can amuse themselves over weekends if they don't have dates. Some girls take it so hard they just don't want to show themselves in public."

PHILADELPHIA (AP) — A false ceiling covering air conditioning ducts collapsed in a downtown restaurant on Friday, injuring two persons slightly. About 100 persons were in the restaurant at the time.

PNPA INSTALLS NEW PRESIDENT

PHILADELPHIA (AP) — J. E. Holtzinger, president of the Altoona Mirror, was installed Saturday as Newspaper Publishers Assn. succeeding Rolland L. Adams of the Bethlehem Globe-Times.

Fred V. Knecht, general manager of the Schuylkill Haven Call, is vice president, while Richard Swank, publisher of the Duncannon Record serves another term as secretary-treasurer.

At Friday's session, Eugene Simon, publisher of the Valley Daily News of Tarentum and chairman of the association's Education and Promotion Committee, urged the publishers to promote "both young readership and journalism as a career in every way you can."

Simon said an increasingly literate public is seeking more and better information presented in a more attractive way so that "they can know the things they want to know about the expanding world in which they live."

The meeting ends today.

U. S. WOMAN SPY GOES TO PRISON

JERUSALEM (AP) — An American woman sentenced to a year in jail as a spy for Syria was transferred Friday to the women's prison in Ramleh, on Israel's coastal plain. Mary Frances Hagan, 29, whose family lives in Huntington, W. Va., was found guilty on two counts on charges she spied for Syria with

Roman entered service about two years ago after graduating

which Israel officially is at war. She pleaded innocent to the charges.

Appeals For Clemency

Officials in Washington indicated the United States would appeal to the Israeli government for executive clemency. Miss Hagan's attorney indicated she might not appeal the sentences because the higher court had the power to increase them.

Two sentences were imposed on the slim, brown-eyed defendant — three months and one year — to be served concurrently. She could have been sentenced to a total of 28 years in prison.

from Nanticoke High School. Neighbors there said his mother moved to Connecticut several weeks ago to live with a daughter.

Returning From Duty

A. J. C. Orest D. Giancola, 21-year-old son of Mr. and Mrs. Augustine Giancola of New Castle, was returning from three months temporary duty in England. He is married and the father of a five-month-old daughter. His wife and child live in Lincoln, Neb.

A. J. C. Richard K. Hunter, 21, is the son of Mr. and Mrs. Virgil Hunter of Tyrone. He has been in the Air Force since 1954.

A. J. C. George E. Luce, 18, was a star high school football, basketball and basketball player who lived with an aunt, Mrs. Robert Fortner, of Route 1, Port Allegany, McKean County. He enlisted last year.

A. J. C. Lee R. Kane of Boyertown had graduated from high school in June, 1955, and entered the service three months later. He is the son of Leonard Kane.

A. I. C. Alton J. Gaines, 21, is the son of Mrs. Zelma M. Gaines of Harrisburg. Gaines' wife and son now live in Denver, Colo. Gaines, a former track star at Harrisburg John Harris High School, was scheduled for discharge from the service next March.

COAL MINER'S SON HELD IN TWO SLAYINGS

GREENSBURG, Pa. (AP) — A 32-year-old son of a coal miner was held in jail today for booking on a murder charge after shooting his mother and partially blind sister to death and seriously wounding his father.

Charles Lutsovich calmly walked out of a cave on a farm here yesterday and surrendered to state police who had been searching for him 12 hours. He left behind in the cave the .22 caliber rifle which he had fired in a wild burst of frenzy while his family calmly watched a television show Saturday night in their modest home.

Dr. George Toth, the Lutsovich family physician for 25 years, said he had treated Lutsovich the past year for a mental ailment. Three months ago, he said he recommended to the family that the man be admitted to a state hospital.

Wanted Him At Home

But, he said the man's 62-year-old mother wanted to keep him home and refused to sign the necessary commitment papers.

Mrs. Lutsovich was the first to die when her son came into the home with his blazing rifle. She was shot, and died instantly, a few seconds after Lutsovich shot

son of Harry Louis Ringer, Philadelphia, and Mrs. Anna Mae Klemowicz, Philadelphia.

and fatally wounded his 26-year-old sister, Helen. After hitting his 64-year-old father, Stanley Lutsovich Sr., with two bullets, the slayer ran out of the rear door and into the woods.

Miss Lutsovich, who had poor vision because of cataracts, died yesterday afternoon in a Pittsburgh hospital. Her father, one bullet lodged near his spine, is in a Greensburg hospital.

Asst. Dist. Atty. Joseph M. Loughran of Westmoreland County, said he would file a murder charge against Lutsovich. He said Lutsovich gave a "clear statement and freely admitted the shootings," adding:

No Remorse
"It is a funny case. He showed absolutely no remorse. He said the shooting was because of an argument about his being unemployed."

Loughran said Lutsovich, who lived with parents and sister, went to a nearby town several hours before the slayings to purchase the rifle and some shells.

Several other members of the family were in the home when Lutsovich entered the back door and began firing. A brother ran to neighbors and telephoned police.

When officers entered the house and found Lutsovich had disappeared residents of the area locked their doors. Some recalled that three weeks ago Lutsovich had been arrested on assault on a battery charges preferred by his father. Later the charges were dropped, police said.

In the U. S. only 10 per cent of the elementary schools have the recommended minimum of 8 acres for play areas.

2. ESSO EXTRA Gasoline now enriched with Vitane®—designed for those who prefer the outstanding performance that only a premium gasoline delivers.

3. New GOLDEN ESSO EXTRA — an entirely new gasoline to power the growing number of high-compression cars which cannot deliver full performance with any gasoline available in this area today. More costly to make — does more for you.

Choose the fuel you need without paying a penny for quality you can't use.

Because thousands of cars demanded it... Esso Research brings you the first gasoline specifically designed to make the most of today's new, higher-compression engines. It is the world's finest gasoline for any car... literally the power fuel that skipped the years.

Engine compression ratios have increased so rapidly in today's automobiles that up to now no fuel available in this area could get top power out of these higher-compression engines. Because of this need, Esso Research created new Golden Esso Extra four full years ahead of schedule. Scientifically designed and balanced to provide full power—top mileage—and long life for even the most advanced engine designs. So powerful that drivers who tried it in advance tests reported an immediate improvement in performance.

Of course, many cars will continue to give fine performance on

Esso and Esso EXTRA. But we think most motorists will want to find out for themselves how much they gain in performance, acceleration, and power by switching to this new gasoline. We make this suggestion: Try a full tank of Golden Esso Extra. Then decide whether the improved performance is worth the small extra cost to you. One of our three brilliant gasolines is bound to be exactly right for your car and your gasoline dollar, and Esso Standard believes that no motorist should pay for another's power needs. No one gasoline can economically satisfy the widening power needs of today's cars.

No two gasolines can give every motorist full value for his gasoline dollar.

Now THREE gasolines, one of which will give your car the right fuel... at the most economical price!

STEVENSON'S SIGHTS FIX ON NIXON AS TARGET

By ERNEST B. VACCARO
LIBERTYVILLE, Ill. (AP)—Adlai Stevenson pushed Vice President Nixon higher on his target list today as the 1956 presidential campaign entered the critical final three weeks.

A top campaign strategist told reporters the Democrats had found sufficient public feeling against Nixon to make him a "prime issue." The Democratic presidential nominee will strike out again tonight—in a nationwide ABC radio and television address from Chicago—on another of his major issues, a proposal that ways be found to halt the testing of giant H-bombs.

Rings Doorbells
The time: 9:30 p.m., E.S.T.
Meanwhile he sought to dramatize tomorrow's national solicitation of small contributions for the Democratic campaign by agreeing to ring the first doorbell himself today on a visit to a neighboring Libertyville home.

Aides said Stevenson in his talk tonight will outline the reasoning behind his insistence that the country's best hopes for peace lie in finding ways to put a stop to the testing of H-bombs and persuade Russia to follow suit.

Yesterday Stevenson received support from two sources for his suggestion that the United States take the lead in framing an international agreement to halt H-bomb tests.

Scientists Give Statement
Democratic Chairman Paul Butler called on President Eisenhower to "reconsider" Stevenson's proposal and join the Democratic candidate "in a mutual effort to halt the atomic arms race."

Ten nuclear scientists, all from the California Institute of Technology but speaking as individuals, issued a joint statement at Pasadena, Calif., saying:

"It appears to us that Mr. Stevenson's proposal might be a useful way to get the negotiations on the nuclear arms race out of the deadlock stage by taking a step which would not endanger our security."

CONSUL'S WIFE HELD FOR THEFT

SAN FRANCISCO (AP)—The wife of a Yugoslavian vice consul may have to appear in Municipal Court to answer a complaint if Dist. Atty. Thomas C. Lynch files one in connection with a shoplifting arrest.

Mrs. Sonja Juznic, pretty, 26-year-old citizen of Yugoslavia, was arrested Saturday and held for five hours while police consulted with a State Department official.

She had been halted earlier in the day by a store detective in the downtown branch of the J. C. Penney Co. Police Inspector Al Corraza said that in her shopping bag was \$26.75 of store merchandise, including two sheets, two pairs of men's socks, five towels, a woman's sweater and five slide fasteners.

Question Immunity
She was released on her own recognizance. Lynch said he was awaiting definite word from Washington as to whether she has diplomatic immunity.

In Washington, Victor Purse, deputy chief of protocol for the State Department, said the United States has no convention with Yugoslavia and that any such convention would only cover a minor misdemeanor.

Her husband Stanislaw insisted that his wife had gone Christmas shopping for her family in Yugoslavia and had thrown away her sales slips. Mrs. Juznic said only it was a "terrible mistake." She spoke little else in English.

Inspector Corraza said Mrs. Juznic first identified herself as Zinka Kokak and said she arrived from Poland only a month ago. Later she acknowledged her connection with the consulate.

The new Lincoln, first car in the industry to feature Quadra-Lites, offers a four-door hardtop, the Landau, (shown above) in its expanded 1957 line of seven models. The Quadra-Lites are four road lights in vertical pairs. Also available are a new concealed-pillar sedan, hardtop coupe and convertible. The new Lincoln is slightly longer than last year's styling-award winner and has increased horsepower, added power assists and engineering changes. It will be shown to the public October 16.

The distinctly new 1957 Lincoln, first American-produced car with Quadra-Lites, will be unveiled in dealers' showrooms October 16.

Four road lights in vertical pairs, the Quadra-Lites are housed in oval-shaped, chrome-rimmed settings. The auxiliary road lamps, positioned below the headlights, are optional equipment and may be used either alone or with the headlights.

Massive parking lights and directional signals are coupled horizontally below the Quadra-Lites, enhancing the beauty of the newly-designed bumper and grille.

The new car is slightly longer than last year's, which brought Lincoln stylists the highest award of the Industrial Designers Institute.

Graceful body lines are attained by styling chrome side moulding, simulated air scoop, and sweeping rear-quarter panels canted outward toward pyramid taillights. Exhaust outlets, hidden under wrap-around bumpers, large back-up lights and the Lincoln star new trunk emblem complement the rear look.

Also prominent in the new Lincoln line are a new four-door hardtop and concealed-pillar sedan in both the Premiere and Capri series, increased horsepower and added luxury accessories. The four-door hardtop, the "Landau," expands the Lincoln line to seven models, two more than last year.

Lincoln sedans have slim pillars which are concealed when the windows are raised, presenting the appearance of a four-door hardtop.

REORGANIZING DUTCH COURT

THE HAGUE (AP)—The Dutch government today announced that Queen Juliana is reorganizing various departments of the royal household as a result of the recent furor over her relationship with the faith healer Miss Greet Hofmans.

A communique denied recent reports that the Queen still had direct or indirect contact with the 61-year-old woman whose influence over the monarch reportedly caused a deep rift between Juliana and her husband, Prince Bernhard.

The Queen will consult with Prince Bernhard on the reorganization at the Royal Court after he returns from his visit to the United States early in November, the communique said.

The announcement followed reports that a new crisis was brewing because the Queen was still in touch with the faith healer and

Another Boost Is Given Tito's Party

BELGRADE, Yugoslavia (AP)—Yugoslav and Italian Communist leaders issued a joint statement today pledging mutual respect for differing views of how communism should develop. The move gave another big boost to the prestige of Yugoslavia's Communist party under President Tito, long condemned by Moscow in the Stalin era.

The statement was announced soon after the arrival in Belgrade of a group of top Hungarian Communist leaders bent on re-establishing Red Hungary's ties with Tito's brand of independent communism. Hungarian party boss Erno Geroe heads the group.

In another important gesture of support for Tito, Luigi Longo, deputy secretary general of the Italian Communist party, told a news conference here that worker-management of Yugoslav enterprises represents "the most original and most efficient form of people's democracy."

The statements by the leadership of the Italian Communist party, largest in Europe outside the Soviet orbit, followed talks between a delegation from Italy with Yugoslav leaders. It said these talks were carried on "in a spirit of friendship based on equality, with an open expression of opinions."

had been slow in ridding the palace of persons still loyal to Miss Hofmans.

Earlier today the Dutch government issued a communique denying a British newspaper report of a plot among Dutch government ministers and politicians to induce the Queen to abdicate in favor of her 18-year-old daughter, Princess Beatrix. The government said there was "not a shred of truth" in the report.

ISRAEL WARNS AGAINST IRAQ TROOP MOVES

JERUSALEM (AP)—Israel, in a statement apparently aimed at Britain, warned today against support for any move by Iraq troops into Arab Jordan.

Tension was sharp on both sides of the Israel-Jordan border and there was talk in Israel of renewed danger of war as the result of reported plans by Iraq to send troops to bolster young King Hussein's shaky Jordan regime.

"Whoever encourages and abets, actively or passively, Iraq in the realization of its schemes takes upon himself grave responsibility," said an Israeli Foreign Ministry statement.

The statement did not mention Britain by name.

In London, however, the British Foreign Office spokesman said the government of Prime Minister Eden has advised Israel that the dispatch of Iraq troops to Jordan would "contribute to stability in a troubled area."

The British purpose was represented as an effort to calm the

Franking Abuse Is Charged To Senator

WASHINGTON (AP)—Sen. Thomas E. Martin (R-Iowa) has been accused by Democratic National Chairman Paul Butler of "abuse of the franking privilege" by allegedly using his congressional mailing privilege to distribute "GOP propaganda to millions of farmers."

Butler said in a statement Saturday that Martin should make an immediate accounting of the matter, which Butler estimated cost the government \$100,000.

The British are reported to fear that King Hussein's Jordan regime is in danger of collapse from pressures from extreme Arab nationalist elements backed by Egypt. Jordan is holding nationwide elections next Sunday.

The U.S. government is reported backing the British view.

BROWNS BEATEN BY GIANTS 21-9; COLTS EDGED BY GREEN BAY 38-33

By THE ASSOCIATED PRESS

"There'll Be Some Changes Made" might well be the National Football League's theme song this year played to the accompaniment of clicking turnstiles.

Nearly a quarter-million fans turned out to see yesterday's play, in which last year's conference titlists, Los Angeles in the Western and Cleveland in the Eastern, lost to teams they used to handle easily.

A throng of 60,042 saw the Browns' succumb to a New York Giants team for the first time since 1952. The score was 21-9. The once-awful Cleveland offense could manage only 40 yards rushing and 104 passing. And 56,281 saw Los Angeles provide last year's cellar-dwelling Detroit with its third victory, 24-21, as many as the Lions won all last year.

Bears Maul 49ers

Only the Chicago Bears, living up to their name, provided a touch of sanity, rolling almost at will through the San Francisco 49ers, for 397 ground yards, 86 air yards, 22 first downs and a 31-7 victory. A capacity crowd of 49,714 sat in on this one.

In other games, the upstart Chicago Cardinals retained their spotless record with their third straight victory, 31-3 over Washington, before 25,794; Philadelphia rode with Bobby Thomason's aerial circus for a 35-21 decision over Pittsburgh before 31,375; and Green Bay's Packers used veteran quarterback Tobin Rote's two touchdown passes and two scoring plunges for a 38-33 verdict over Baltimore. A crowd of 24,214 braved a second-half drizzle to see Green Bay notch its first victory.

The Eagles jumped to a 28-0 lead on two touchdown passes by Thomason, a 28-yard pass interception by Eddie Bell and Notre Dame rookie Don Schaefer's 1-yard plunge. The effort offset three second-half touchdowns by Ted Marchibroda, going for 15, 21 and 64 yards.

Speedboats Crash And Man Is Killed

HARRISBURG (AP) — Horace B. Beall, 41, Springfield, Delaware County, was killed yesterday when two speedboats collided just north of the Walnut Street Bridge during a race on the Susquehanna River.

Dr. Thomas J. Fritchey, Dauphin County coroner, said Beall died of multiple fractures and shock but the driver of the second boat, Donald A. Moe, 29, Pleasantville, N. J., escaped injury.

City Police Lt. James A. MacFarland, said the two boats collided on a turn while competing against five other boats in a race sanctioned by the American Power Boat Assn. He said the boats remained upright and neither man was thrown into the water.

Rookie Ken Keller ran 51 yards for the Eagles TD.

Winning Margin

Although Rote was a one-man show for Green Bay, it was Bobby Dillon's third-quarter interception of a George Shaw aerial and 42-yard runback into the end zone that provided the winning margin. Rookie Len Moore, from Penn State, scored two touchdowns for the Colts and passed for this.

Halfback Alex Webster scored three touchdowns for the Giants. Andy Robustelli, Giants defensive end, personally squashed two Cleveland thrusts, throwing quarterback George Ratterman for losses four times, and a total of 65 yards.

Rookie Don McIlhenny tallied twice for the Lions—on a 2-yard pass from Bobby Layne and a 3-yard plunge, set up by a 42-yard punt return by fellow rookie Howard Cassidy.

Rick Casares contributed 111 yards and two touchdowns to the Bears' fracturing attack and George Blanda, besides booting a field goal, clicked with four conversions, upping his consecutive string to 154.

Ollie Matson's spectacular 105-yard kickoff return featured the Cardinals victory.

OKLAHOMA MAY BE UNSCORED UPON IN 1956

By ED WILKS
The Associated Press

It's getting to the point where perhaps the only question about Oklahoma's football powerhouse is whether the Sooners can get through the season unscored upon.

Coach Bud Wilkinson's national champs, with the remaining schedule giving little evidence they'll be unscored, now have rolled over three 1956 foes with their goal line still virgin territory. They snubbed North Carolina 36-0, humiliated Kansas State 66-0. Then they made themselves at home on the range with a 45-0 decision over Texas last weekend.

This week it's Kansas. The Jayhawkers, who have beaten only Iowa State in four games to date, figure to give the Sooners a modern record of 34 consecutive victories.

Notre Dame Only A Name
After Kansas all that stands between Oklahoma and another perfect season is Notre Dame, Colorado, Iowa State, Missouri, Nebraska, Oklahoma A&M and Indiana.

Notre Dame, only a name for a change, may prove a stumbling block. After a 28-14 thrashing by Purdue for a 1-2 record, the Irish now hold only the uncertain hope of upsetting one of the big guys. And if an upset is to be Notre Dame's claim to fame it almost has to come this weekend against Michigan State.

Michigan State, hard on Oklahoma's heels for the national title, took a 53-6 Hoosier holiday against Indiana — leaving MSU atop the Big Ten with also unbeaten Ohio State (26-0) over Illinois and Iowa (13-7) over Wisconsin. Iowa may make it to the Rose Bowl what with Michigan State ineligible to return and Ohio State on probation.

In the race for national honors, Georgia Tech, Texas Christian and long-absent Tennessee are ready to move in should either Oklahoma, Michigan State or Ohio State falter. All six are 3-0.

An on the fringe, there's Miss-

a Southeastern Conference battle with Tech and Tennessee; Southern Cal (3-0) and perhaps Michigan (2-1). Michigan, beaten only by Michigan State, made an impressive comeback with a 48-14 crushing against once proud and potent Army.

Georgia Tech, after trimming Louisiana State 39-7, meets Auburn Saturday. TCU is involved in one of those Southwest Conference toughies, battling Texas A&M, unbeaten but tied by Houston.

Tennessee, giving an example of Southern graciousness by permitting Chattanooga 20 points while scoring 42 last weekend, faces Alabama, still winless after a 23-6 lesson from TCU.

Southern Cal, idle last week, now tries Washington (3-1) for size. Michigan goes against Northwestern, Ohio State against Penn State.

Utah Governor To Run Independently

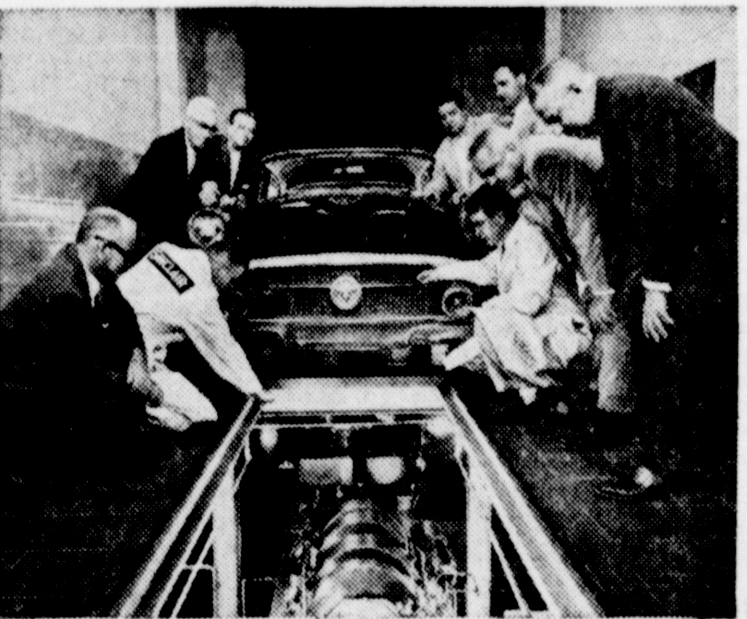

SALT LAKE CITY (AP) — Gov. J. Bracken Lee, beaten in his intra-party bid for an unprecedented third term, was back in the running today after a dramatic announcement that he will make the race on his own.

The Republican governor announced he will allow his name to remain on the ballot as an independent. It was put there by a group called Citizens for Lee after the governor lost the nomination to George D. Clyde, The Democratic candidate is L. C. Romney.

Lee gained national attention with his challenge of the legality of the nation's foreign aid program. To emphasize his protest he refused to pay a portion of his 1955 federal income tax. The government collected anyway, by forcing a lien against his bank account.

MANY TUMBLING FROM UNBEATEN LIST IN STATE

HARRISBURG (AP) — Elimination of eight teams has thinned the list of major undefeated-united clubs to 18 after the first half of the 1956 Pennsylvania scholastic football season.

Eight major previously all-winning squads lost by as much as 28 points in the case of Johnstown's 34-6 victory over McKeesport and by as little as a single point in Wilkes-Barre's 28-27 loss to Mount Lebanon.

Western Pennsylvania can boast of the most all-winning teams with eight. The east has six. There are four major unbeaten-united elevens in the central section.

Major Unbeaten Teams
The major all-winning teams after six weeks of play with number of wins in brackets:

East — Tamaqua (6), St. Clair (6), Clark Summit (5), Wilkes-Barre Coughlin (5), Lower Merion (3) and Haverford (3).
Central — Milton (6), Williamsport (5), Harrisburg John Harris (5) and Carlisle (5).
West — Corry (6), Farrell (6), Charleroi (6), Jeannette (6), Sharon (6), West View (6), Ambridge (5) and Duquesne (5).

Most Play Friday
All except Haverford, Duquesne

and Ambridge played over the weekend.

In the battles of the unbeaten, Milton downed Danville 40-24 to eliminate its greatest roadblock in the way of a Susquehanna League championship and Tamaqua edged Nesquehoning 21-14 to move into first place in the Eastern Conference Southern Division.

Corry's 39-7 win over Titusville gave it the championship of the Section II Conference in northwestern Pennsylvania succeeding Warren.

JUNIATA'S LONG STREAK BROKEN BY LYCOMING

By THE ASSOCIATED PRESS

The longest unbeaten streak in Pennsylvania college football — the 25-game string racked up by Juniata — was broken over the weekend by a touchdown pass heaved by substitute quarterback Tip Agnello of Lycoming.

Lycoming won 13-6 on Agnello's pass from the 25 to halfback John Griener. Lycoming, with a 2-1 record, resumed playing football three years ago. Juniata hadn't lost a game in four years.

Penn State (2-1) humiliated Holy Cross with a 43-0 lacing in their home field opener at University Park.

New Presidential Campaign Begins

RICHMOND, Va. (AP) — A rally touching off the campaign of an independent conservative presidential ticket will be held here tonight. The candidates on the states rights-tax reform ticket, backed by a loose organization of small conservative parties in 14 states, are T. Coleman Andrews, of Richmond, for president, and Thomas H. Werdel, of Bakersfield, Calif., for vice president.

Andrews, foe of the federal income tax, is a former director of the International Revenue Service in the Eisenhower administration. Werdel is a former Republican congressman from California.

squads, East Stroudsburg licked Lock Haven 28-12. East Stroudsburg now has a 40-record and Lock Haven is 2-1.

Other Results
Lafayette (4-0) kept Albright (0-4) in the winless column with a 32-7 victory. PMC (4-0) rallied in the fourth quarter to squeeze past Moravian (1-2) 14-13. Westminster (3-0) had an easy time with Bethany of West Virginia, 40-16.

Haverford, with one win under its belt, played to a 7-7 tie against Connecticut Wesleyan. Washington and Jefferson won its second victory of the season, 21-0 over Case Tech. W & J has one tie on its record. Franklin & Marshall, also with one previous tie, won its second with a 28-6 thumping of Upsala.

SEN. DUFF AND CLARK MEET ON SAME PLATFORM

PHILADELPHIA (AP)—Sen. James Duff (R-Pa.) and Democrat Joseph Clark, seeking Duff's senate seat, met on the same platform Saturday night for the first time in their campaigns but did not challenge each other directly.

Clark told a dinner meeting of the Pennsylvania Newspaper Publishers Assn. he was concerned about the "control of news in Washington."

Duff chose the occasion to defend again his Senate attendance record and to praise President Eisenhower. Duff's attendance record has been under constant attack by Clark.

PNPA installs Clark told the PNPA that "certain information must be denied to us" for security and welfare reasons but that "the national administration in Washington today is withholding a great deal more than this... something can be done about that and we must do it."

Duff said he was present to vote

on 82 per cent of the bills which passed the Senate on roll calls during the four years of the Eisenhower administration.

In comparing the presidential candidates, Duff said Eisenhower seeks "to unite all our people on the basis of friendship and good will" and Adlai Stevenson "constantly appeals to prejudice."

Earlier, the PNPA installed its officers for the next year. They were J. E. Holtzinger, president; Fred V. Knecht, general manager of the Altoona Mirror, president; the Schuykill Haven Call, vice president, and Richard A. Swank, publisher of the Duncannon Record, installed for another term as secretary-treasurer.

URGE PROBE OF DINNER TICKETS

HARRISBURG (AP)—A U. S. Senate subcommittee has been urged to investigate what the Republican State Committee terms large purchases of Democratic fund-raising dinner tickets by professional people doing business with the state.

Sen. William Z. Scott (R-Car.), counsel for the Republican State Committee, called for the

probe by the subcommittee now investigating campaign expenditures and asked in a statement: "Were these professional people sandbagged into buying tickets with the threat of being excluded from state work if they did not comply?"

Remarkable Coincidence
Scott said many "architects, engineers and contractors" were among those who bought 10 or more tickets to the \$50-a-plate dinner Sept. 13 in Harrisburg.

The dinner featured an appearance by Adlai Stevenson, the Democratic presidential candidate. Democrats grossed \$425,000 through the sale of 8,500 tickets to the dinner.

"It is a remarkable coincidence, to say the least," Scott said over the weekend, "that they were so anxious to hear Stevenson that they bought tickets by the handful."

DR. RASMUSSEN PRESENTS PLAN TO LUTHERANS

By GEORGE W. CORNELL
HARRISBURG (AP)—A new try at bringing Lutheranism into a united church in America was launched here today.

A special study commission submits the plan to the convention of the United Lutheran Church in America.

It provides for a call "to all Lutheran bodies in America" to merge "in organic union."

The appeal is a more clear-cut restatement of a similar previous proposal made by the church, the largest of 16 Lutheran bodies in this country.

Presented By Local Man
But it envisions a stepped-up unity drive, the enlargement of its negotiating group from 8 to 13, and the broadening of its approach to other Lutheran bodies. The plan was presented by Dr. Carl C. Rasmussen, of Gettysburg, Pa., a member of the special commission.

The church, with 2 1/2 million members already is in the midst of

merger procedures with the 500,000-member Augustana Lutheran church.

Other bodies also have participated tentatively, and all Lutheran churches have been invited to a meeting to explore the plan. The unity theme has been a major one at this week-long convention, which closes Wednesday.

DOLLAR DRIVE BY DEMOCRATS

HARRISBURG (AP)—The Democratic State Committee made last minute preparations today for tomorrow's "dollars-for-Democrats" fund raising drive in Pennsylvania.

Sen. Joseph M. Barr, Democratic state chairman, called on Pennsylvanians for 100 per cent support of the door-to-door national campaign in the commonwealth.

"Our opponents can call on big business for big donations," he said. "In the democratic way we are calling on the 'Joe Smiths' of the nation to support with contributions of only \$1 and \$3."

13,000 BUTTONS MAKE HOBBY

STANTON, Ky. (AP)—Mrs. Guy Crowe never has trouble finding buttons for her husband's shirts. She has more than 13,000—all different.

Mrs. Crowe's hobby started on a Sunday morning 10 years ago when she couldn't go to church. She explains:

"Snow was on the ground and Guy was sick, so I got my buttons strung on string."

At first the buttons were strung on string, but they collected dust. Mrs. Crowe then bought frames, usually from second-hand stores, and put her collection in them.

One of her more unusual buttons came from a friend, who won \$750 first prize in a national contest sponsored by the Democratic National Committee.

The button shows a safe with William Jennings Bryan's picture in the center and "Com-mon-er" written on it.

NIXON SPEAKING IN OHIO TODAY

By EDMOND LEBRETON
DAYTON, Ohio (AP)—Vice President Nixon takes his plea that America "can't risk giving up the proved leadership of President Eisenhower" to farmers, factory workers and students across Ohio today.

The vice president, carrying the main burden of Republican vote-seeking at the grass roots, in the past few days increasingly has been pitching his campaign on what he presents as a contrast.

He says it is a matter of judgment and experience on Eisenhower's part against what he calls good intentions but no better than secondrank background for Democrat Adlai Stevenson.

Nixon speaks here and in Toledo, Defiance, Warren and Youngstown today.

On arrival here yesterday, he predicted to newsmen that the Republicans will lose no farm state on the issue of Eisenhower farm plan. Farm conditions, particularly depressed by drought, may count in some marginal states, Nixon said. He cited Missouri as an example.

Postmaster General's Address

(Continued from Page 1)

dedicated leaders in time of stress. Certainly a Beneficent Providence blessed this land in its formative years with such giants as Washington, Jefferson, Franklin, Hamilton, Adams. Certainly, too, this nation was blessed at the time of the Civil War by the greatness of Abraham Lincoln — a greatness stemming from the strength of his faith in God and his dedication to mankind. And certainly today this nation has been blessed once again by the greatness of a President who is your fellow townsman and neighbor — Dwight D. Eisenhower.

With Him In France

I was with him in France when he went through a soul-searching experience facing up to a decision that meant all his hopes and desires for a quiet life would have to be rejected in answer to a clearcut call—a summons to a new and higher duty.

I was privileged to manage his successful campaign for the presidency in 1952.

Since then it has been my further privilege to serve in his cabinet as postmaster general of the United States.

I say to you with all the sincerity I possess that there is no man more devoted—no man more willing to serve his fellowmen—no man more capable of preserving the peace—than Dwight D. Eisenhower.

Like the brave men who fought at Gettysburg, tested in the flame of war, he has doffed his uniform to put his shoulder to the cause of peace.

There has already been bestowed on him every honor within the reach of any American citizen. I know his only wish is to serve his country.

Dwight D. Eisenhower is the most widely loved, the most universally respected, the most profoundly dedicated man of our times. He is America's greatest human asset. He has restored dignity and responsibility to the most important office in the world. He has truly served as President of all the people. His every action reflects how strongly he possesses the two forces vital to free men—personal integrity and abiding faith in God.

He is the symbol of peace throughout the free world, and of hope, of promise to many millions behind the curtain of fear and oppression. Honored and loved at home, Dwight D. Eisenhower is respected even in Moscow. He personifies America—and freedom—and hope—and peace for all mankind.

"Full Measure Of Devotion"

Destiny has already called him three times to the mountain-top of service, and three times he has responded with full measure of devotion and achievement that truly marks him as one of our greatest Presidents.

In his world leadership, he is fortified by the strength of a truly fine woman, his wife — Mamie Eisenhower. She is a gracious and courageous woman, who shoulders her full share of the exacting duties that come to those in high office.

I know the women of Gettysburg are proud of the role played by their distinguished neighbor, and that they salute Mrs. Eisenhower for her dignity, her devotion to her husband, and her friendly and unfailing charm. Superbly she represents, at all times, the finest traditions, the finest qualities of American womanhood.

What has this inspired leadership of Dwight D. Eisenhower meant to America in these days of trial and stress?

It has meant, first of all, that in Dwight D. Eisenhower this nation has a President who knows war first-hand—not from textbooks, but from battlefield experience.

Like all great soldiers, Dwight D. Eisenhower hates war with its stupidities—its horrors—its human sufferings—its waste of the lives of our best young men.

Devoted To Cause Of Peace

Knowing war — hating war — Dwight D. Eisenhower devotes himself to world leadership in the cause of peace. He is dedicated to that everlasting peace that has always been man's fondest dream and greatest aspiration and yet which has somehow always eluded mankind.

Constantly striving for peace — devoted to peace — Dwight D. Eisenhower has brought peace twice to America in our lifetimes. He did so first at the school house in Germany in 1945 where proud Nazi generals begged for peace. That time he ended forever Hitler's mad ambitions to enslave mankind under his ruthless mailed fist. He did so again within six months after his election, when he ended the horror of the stalemated war in Korea with its seemingly endless drain on American lives and treasure.

And my friends he has kept the peace since then in a troubled world. A less seasoned or less consecrated leader might have been maneuvered into recourse to arms to settle differences.

Took World Leadership

Not only has Dwight D. Eisenhower kept the peace, but he has taken the world leadership in strengthening the measures for peace. By every deed and every word this human and humane man has advanced the cause of world understanding and peace everywhere. He did so at Geneva, at the Conference at the Summit—in his eloquent Atoms for Peace pronouncement.

He has made perfectly clear to his fellow Americans that we face a future world filled with potentialities

for good or for evil; a future whose final shape will be largely determined by what we in America do or fail to do in the years ahead.

He has emphasized that a thermonuclear war is the shortest route to world suicide. He has stressed the fact that the inevitable evils of a great war would lead to utter and complete defeat for everyone involved. He has said many times that peace must be won in the hearts of the men and women who, above all else, are determined that peace shall be won.

Service — Not Destruction

Often he has expressed his innermost conviction that our knowledge of the atom is intended by The Creator for the service and not the destruction of mankind.

My friends, in the shadow of the atomic cloud, during this technological revolution which is causing great structural changes in every advanced society, we must realize that our cherished American way of life faces its supreme and ultimate test.

Either we now measure up to the responsibilities thrust upon us by our unsought leadership of the free world or our Christian civilization is doomed to increasing chaos, possible ultimate destruction.

With such powerful, dedicated and courageous leadership as Dwight D. Eisenhower is giving us, how can any of us possibly, under these circumstances, seriously consider a change in our national administration at this crucial time?

Nevertheless there are those of little experience, of little achievement, of little repute, who dare to attack the President of the United States in terms reminiscent of the attacks made on Lincoln.

Now I want to speak plainly to you good people of Gettysburg and Pennsylvania — and to all Americans everywhere who look for truth and respect truth in a national campaign.

In this campaign, greatness is under attack by mediocrity; integrity is belittled by incapacity; a superb record is derided by those who have yet to make an acceptable record of public service.

We—the 34 millions of us who supported our President four years ago — have been rather complacent and all too quiet in recent weeks.

Let me remind you we were not always so complacent.

Once Proclaimed Faith

Back in 1952 — on the streets and highways, from the house tops and store fronts, by word of mouth and by the printed word — we proclaimed our faith in Dwight D. Eisenhower.

Through four years he has more than vindicated our faith in him — vindicated it magnificently to the profit of America and all mankind.

Now today he is maligned by a noisy voice that daily charges him with favoritism for the few, indifference to the many — failure in his high office.

And too many of us, like confused bystanders, have been all too silent.

If we remain so, we shall all be ashamed of ourselves.

I — for one — intend to speak out frankly.

But for us who elected Dwight D. Eisenhower in 1952, such an attack is a call to righteous anger that will send us once more out on the streets and highways, proclaiming from the house tops and the store fronts, by word of mouth and by the printed word, our faith in Dwight D. Eisenhower and Richard M. Nixon and the America they stand for.

If we don't, history will judge us as the crusaders who faltered when within sight of our goal of permanent peace and prosperity.

It is not that President Eisenhower, the man all the world respects, needs vindication.

Fame Will Live Long

The name of Dwight D. Eisenhower — the architect of European liberation, of western security, of world peace — will live in book and on monument, on the record and in the hearts of people long generations after all of us in the campaign are gone.

I urge you, please, my friends, to remember this.

It is we who put him in his present position, electing him to the Presidency and — by every sign and token and signal we could use — urged him to lead us once again.

We — 34 million of us — gave him a mandate and a mission. We hoped, we prayed and worked that he might continue in it.

By doing this we have exposed him to the reckless abuse of little men.

It is we who are responsible — therefore, it is we who must support him now — passionately and righteously, with every word and deed, and every ounce of energy we possess.

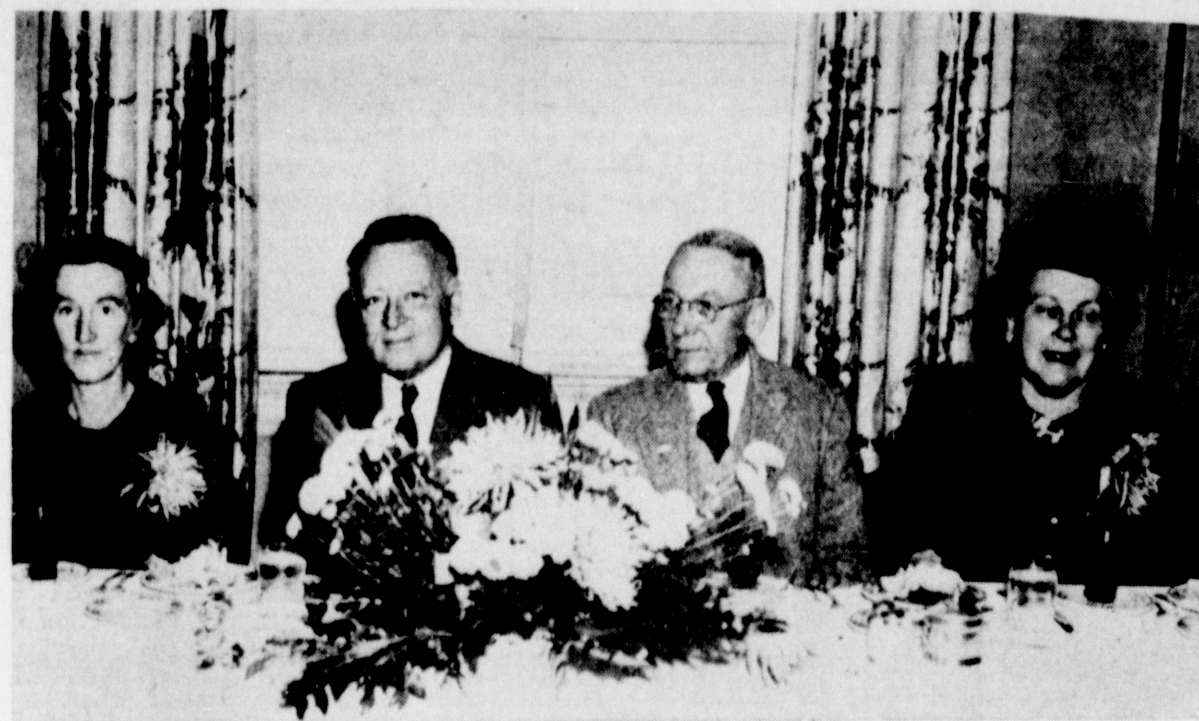

Simple loyalty demands this to us — loyalty to ourselves — loyalty to our convictions — loyalty to our country — and loyalty to our children and our children's children, who will inherit the legacy we leave behind us.

Reveal True Greatness

We must light a flame that will gleam clearly in the fog of innuendo and half-truths. We must light a flame that will reveal our President in his true greatness.

We must march forward with our great President into the bright and shining Promised Land of the Future where the horizons are unlimited.

The stakes are too high, the issues too grave, the times too crucial, to turn over America's destiny to

IKE LEAVES TUESDAY FOR WEST COAST

By MARVIN L. ARROWSMITH

WASHINGTON (AP) — President Eisenhower, leaving tomorrow on a trip to the West Coast, takes the lead this week in stepping up the tempo of the Republican campaign.

For the first time since opening his re-election drive, he has political speeches scheduled—either recorded or out on the stump—five days in a row.

From his standpoint, the quickened campaign pace starts tonight with two filmed five-minute talks on nationwide television.

Series Of 33 Talks

The first over NBC will be at 9:25 p.m., EDT, the second over ABC at 10:25 p.m.

Tomorrow night he will be on coast-to-coast TV again, also for five minutes, with another filmed appeal over CBS for votes.

The time: 7:55 p.m.

These recorded talks are the first

untried hands.

That is why strong leadership of Dwight Eisenhower is so essential to the American people of mind for the future that lies ahead of us in the tomorrows.

That is why all of us came here today to say "Happy Birthday" to the man we honor, respect and love.

In closing, let me say again how grateful I am for having had the privilege of spending an afternoon with all of you — the President's friends and neighbors.

God bless you and keep you always.

Adams County's two Joe Smiths. At the left is Joe Smith, of McSherrytown, and Joe Smith, of New Oxford R. D.

in a series of 33 which between now and Election Day, November 6, will feature the President, members of his Cabinet and other leading Republicans. The series is called "Your Government and You."

Going By Plane

Republicans also are stepping up their half-hour TV shows from one to three a week.

For Eisenhower, who observed his 66th birthday anniversary quietly with his family yesterday, the business of getting out around the country more in a bid for votes starts tomorrow morning.

He will leave then by plane, accompanied by Mrs. Eisenhower, on a four-day tour which will take him to the Pacific Northwest with stops on the way out in Minnesota and

on the way back in Colorado.

At Church Sunday

Although Eisenhower's 66th birthday was yesterday, celebration started Saturday with many communities around the country observing "Ike Day." That celebration was climaxed in the evening with a half-hour tribute carried on TV. At the end of the program, Eisenhower told the nation he was "deeply touched."

Eisenhower spent yesterday at the White House with his family after he and Mrs. Eisenhower attended morning services at the National Presbyterian Church.

The Mormon Church was organized by Joseph Smith in New York State in 1830 before moving to Utah.

Flaming Foliage Queen Is Chosen

RENOVO, Pa. (AP)—Blonde, blue-eyed Carol Ann Weber, a high school senior, reigned today as Pennsylvania's 1956 Flaming Foliage Festival Queen.

She won out over the weekend in competition with 28 other central Pennsylvania girls. Jean Fornwalt, Lewisburg, 1955 queen, made the presentation.

Miss Weber received a four-year scholarship from Sen. George B. Stevenson (R-Clinton).

Runners up in the contest were the Arlene Fae Minium, Lewisburg, and Jane Holtzapfel, Muncy. They received other prizes.

CALL MORE WITNESSES

PITTSBURGH (AP)—Government attorneys called more witnesses today at the Hoxsey Cancer Clinic trial resuming after a weekend recess.

The government seeks permission to destroy a half million pills seized at the clinic at Portage (Cambria County) in March, 1955. It claims the pills were mislabeled as being effective in the treatment of cancer.

FIND CAR, SECRETS

LONDON (AP)—Scotland Yard said today a stolen automobile with secret U. S. documents in the trunk "has been found in London with everything intact."

The Yard spokesman would not

say where in London the car and its valuable contents were found or give any of the circumstances of the recovery.

An Air Force spokesman said the automobile was a Navy staff car.

A Navy spokesman said "The man is not a civilian working for the Navy and he is not in the Navy."

HARRISBURG (AP)—John R. Torquato, secretary of labor and industry, declined to comment today on a demand for a program to improve migrant labor camps in Pennsylvania.

"I do not want to enter into a controversy on this," Torquato told a reporter.

Tiny Blaze Causes Double Fire Call

WILLIAMSPORT (AP) — It took some persistence but city firemen did find out that where there's smoke there's fire.

They were called to the same location within three hours but on the first trip could find nothing.

Receiving another complaint of smoke filling a downtown hotel, they rushed to the spot and finally found a small blaze in a sealed one-foot space between two buildings. Fire Chief Harold E. Kinley said the cause was either a cigarette or the sun.

Errant Alligator Halts Baseball Game

FORT PIERCE, Fla. (AP) — A five-foot alligator disrupted play in a hurry when he waddled on to the diamond during a boys' Pony League baseball game.

There was an immediate uproar which subsided only after Ken Gordy, a team manager, managed to lasso and tie the reptile and turn him over to police.
